Trauma-Informed Assessment With Children and Adolescents

Strategies to Support Clinicians

BY CASSANDRA KISIEL, TRACY FEHRENBACH,
LISA CONRADI, AND LINDSEY WEIL

This book serves as a practical guide for clinicians and other professionals working with children and adolescents exposed to trauma, offering an overview and rationale for a comprehensive approach to trauma-informed assessment, including key domains and techniques.

Building on more than two decades of work in collaboration with The National Child Traumatic Stress Network, the book provides strategies for conducting an effective trauma-informed assessment that can be used in practice to support the treatment planning and intervention process, family engagement and education, and collaboration and advocacy with other providers.
